---

1. Founding Vision & The Conscious Leadership Ethos

Krishnayan AI is a purpose-driven AI solutions, campus training, and corporate leadership organization that bridges cutting-edge modern computer science with the timeless principles of conscious leadership and purpose-driven action.

- **The Name**: *Krishnayan* draws inspiration from Lord Krishna — symbolizing supreme wisdom, tactical mastery, and selfless, dedicated action (*Karmayoga*).
- **Location Symbolism**: Operating out of **Barsana Society**, directly adjacent to **ISKCON New Vedic Cultural Centre (NVCC) in Pune**.
- **Philanthropic Core**: Pledges a substantial portion of profits toward charitable and community initiatives, including cow protection (Gau Seva) and rural education.

---

2. Leadership Team

1. **Rajat Garg** (Co-Founder):
   - M.S. CS (Univ. of Minnesota) | B.Tech ECE (IIT Roorkee) | ex-Google, Amazon, VMware.
   - Drives technical architecture, scalable AI systems, and high-performance engineering curriculum design.
2. **Vineet Bhardwaj** (Co-Founder & Head of Academia):
   - Alumnus of **E&ICT Academy, IIT Kanpur** (3 years of core academic deployment).
   - 5+ years in enterprise corporate training; 3 years as a DevOps Engineer.
   - Specializes in transforming engineering college students into career-ready software professionals.
3. **Devamira Das (Farzad Motishaw)** (Leadership Coach & Workplace Dynamics Specialist):
   - India's First Certified **"Fight-Clean" Coach**.
   - Certified 3 Vital Questions® & TED* Practitioner (USA); mentored by Prof. Maria Cristina Casanova (UN Advisor, New York).
   - 25+ years corporate career as a Chartered Accountant in audit and systems compliance; 14+ years in relationship coaching, workplace dynamics, and conscious leadership.
4. **Ravi Srivastava** (Executive Head – Trainings):
   - 30+ years of corporate capability development, process excellence (NIIT Ltd), and enterprise training aligned with tech giants like Infosys and Wipro.

---

3. Core Offerings & Strategic Partnerships

1. **Campus Training Programs**: Intensive technical bootcamps across premier institutions (**VIT, LPU, PSIT Kanpur, GNIOT Greater Noida**) covering AI/ML, Full-Stack Python, DevOps, and Placement Prep.
2. **Corporate Training**: Executive coaching, emotional intelligence, and transforming workplace drama into high-performance synergy.
3. **AI Solutions & Consulting**: Custom machine learning models, voice automation (**CallMatic** partnership), and CRM pipelines (**Snap.pe**, **ManageMyLeads**).
4. **Indian Knowledge Systems (IKS)**: Strategic partnership with the **Institute for Science and Spirituality (ISS)**.

---

4. Connection to Shivam Gupta

In Shivam's workspace, the resume file `krishnayan-python-ai-developer.pdf` was tailored specifically for his role as a **Python Full-Stack & AI Systems Engineer** at/with Krishnayan AI. Shivam's proven leadership as President of ITM Developers Club and builder of high-concurrency platforms (SAY-IDC) aligns seamlessly with Krishnayan AI's mission.
